

FEDERAL ELECTION COMMISSION  
WASHINGTON, D.C. 20463

RQ-9

June 18, 2012

PETER GOODSTEIN, TREASURER  
MICHIGAN'S FUTURE PAC  
P.O. BOX 402  
FLINT, MI 48501

**Response Due Date**

**07/23/2012**

IDENTIFICATION NUMBER: C00502096

REFERENCE: NOTIFICATION OF MULTICANDIDATE STATUS (FEC FORM 1M)

Dear Treasurer:

This letter is prompted by the Commission's review of the document referenced above. There appears to be a discrepancy between the information disclosed on your FORM 1M and Commission records. Please clarify the following:

1. On Line 4, your committee, a Leadership PAC, indicates qualification for multicandidate status on 9/9/2011 through affiliation with "Friends of Dan Kildee"; however, Commission records indicate that your committee is not affiliated with any other committee(s).

Please be advised that a Leadership PAC is defined as "a political committee that is directly or indirectly established, financed, maintained or controlled by a candidate for Federal office or an individual holding Federal Office but which is not authorized committee of the candidate or individual and which is not affiliated with an authorized committee of the candidate or individual except that leadership PAC does not include a political committee of a political party." 11 CFR §100.5(e) (6)"

2. On Line 5(c), your committee discloses a registration date of 9/9/2012. However, your committee registered with the Commission on 9/9/2011.

If the information you provided was incompletely or incorrectly disclosed or you believe the Commission records to be in error, please submit documentation which will clarify the matter. Should your committee meet the requirements for multicandidate status, please submit an amended Notification of Multicandidate Status (FEC FORM 1M) with the corrected information. A copy of FEC FORM 1M can be downloaded from the FEC website at <http://www.fec.gov>, or requested through the FEC Faxline at (202) 501-3413. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format.
